Customer Acknowledgment

1. You agree that you are duly authorised to give explicit informed consent to this contract on behalf of the company listed above, and that you are entering into this contract subject to BlueNRG's market retail contract terms and conditions.
2. You agree that you will be invoiced monthly, and that invoices will be sent to the email address provided. Postal invoices attract a \$5.00 administration fee per invoice.
3. You acknowledge that your rates may change in line with BlueNRG's market terms and conditions, and may be varied to account for changes in CPI and network tariffs charged to BlueNRG by your distributor.
4. You have a ten day cooling off period which begins from the day you receive your customer welcome pack. Should you cancel after your cooling off period, exit fees may apply. 5. At the end of the supply term, the energy contract, including all product features, will continue for a further supply term, unless you advise otherwise or your contract is terminated.

I acknowledge that the supply address(s) listed overleaf are included in the agreement with BlueNRG and are subject to the terms and conditions as per the Customer Agreement. By signing this multiple site list, you are providing your explicit informed consent to have the premises listed in the BlueNRG Customer Agreement aggregated and treated as a single large customer in accordance with Rule 5 of the National Energy Retail Rules, and warrant that you have the requisite authority to arrange for the transfer of these customers to BlueNRG. You also acknowledge that you will execute all relevant obligations and that you will be treated by BlueNRG as a large retail customer and forego the protections afforded to small business customers under the National Energy Retail Law and all subordinate legislation (including the National Energy Retail Rules and National Energy Retail Regulations).
