Electricity Price Comparison

Contact Name _____
Contact Phone No. _____

Price Valid As At _____
Document Number: _____

Please Note:

- All Prices are based on current consumption obtained from the electricity bill details provided by your current retailer.
- All Prices are exclusive of GST and demand charges are based on information that you have given us. This may change in future as your electricity consumption changes.
- Time Periods are in AEST (Vic: Peak 7am-11pm working weekdays; NSW: Peak 2pm-8pm Mon-Fri; Shoulder 7am-2pm & 8pm-10pm Mon-Fri, 7am-10pm on weekends/Public Holidays; off peak all other times VIC/NSW).
- Total estimated costs are calculated on past usage and may change as usage changes.
- Network Charges are indicative and based on information provided. If you are located in the United Energy network, you may be subject to an additional summer network tariff from 1 November - 31 March which may affect your network charges. If applicable, details of this summer tariff will appear on your electricity bill.
- Network Charges change in January (Victoria) and July (New South Wales) each year. You acknowledge that we will pass through these changes to you annually.

This comparison is Indicative only and is not a firm quote.

To receive and secure firm pricing, please request and complete our Customer Agreement form from your contact point listed above. Alternatively please contact Blue NRG on 1300 355 755 and we will assist.
